

## **DIRECTOR OF PHYSICAL PLANT/FACILITY SERVICES**

**LSU – Health Care Services Division  
W. O. Moss Regional Medical Center**

**Issue Date: July 21, 2010**

**Closing Date: August 2, 2010**

**Application Receipt Deadline: August 4, 2010**

W. O. Moss Regional Medical Center in Lake Charles, LA is accepting applications for Director of Facilities Management, an unclassified position. The incumbent is responsible for directing activities of the Maintenance, Bio-Medical, Security, and Safety/Emergency Preparedness departments. W.O. Moss Regional Medical Center is a Joint Commission accredited acute care hospital encompassing an emergency department, surgery unit, critical care unit, inpatient and outpatient care for all individuals that present for services. The building complex consists of 145,506 square foot on 11 land acres. The incumbent must plan, implement and direct a comprehensive maintenance and plant operation program in an organization encompassing a 4-store main hospital building with 7 out buildings. Responsibilities include the Environment of Care plans and Safety programs for the facility. This individual reports to the Associate Hospital Administrator.

**Qualification Requirements: Required** – Baccalaureate degree and three (3) years of supervisory and/or managerial level experience in the maintenance or a health care facility, a moderate to major physical plant, or a closely related area such as building / construction. A minimum of one (1) year of the overall experience must have been at a supervisory level directly related to facility management and safety.

**Substitution:** Four (4) years of professional level experience will substitute for baccalaureate degree. **Desired:** Baccalaureate Degree in Engineering or a closely related field; Master's Degree; Three (3) years of qualifying experience in an acute care hospital.

**Range:** \$60,000 - \$95,000
