

VACANCY ANNOUNCEMENT

ISSUED: 7/9/10

EXPIRES: 7/23/10

POSITION: Telemedicine Clinical Specialist (Unclassified)
RANGE MIN: \$50,000 to \$100,000
LOCATION: LSU - Health Care Services Division

DESCRIPTION: Supports the nursing process in developing, implementing, and evaluating plans of care to meet the needs of patients in a remote care delivery model. Serves as system nurse support resource to nurses responsible for administration of telemedicine encounters at patient and provider sites. Works with partnering sites in introducing procedures, demonstrating use of equipment, providing in-services for conducting telemedicine encounters, and training personnel. Enters patients into data base, requests services, schedules appointments, processes for determination of appropriateness of patient to specialty service, and collects historical data for reporting.

MINIMUM QUALIFICATION REQUIREMENTS: A baccalaureate degree in Nursing from an accredited college or university. Current RN license in the State of Louisiana. Five years as an RN in clinic settings involved with direct patient care areas.

PREFERRED: Working knowledge and understanding of the patient flow process in the LSU HCSD clinics.

HOW TO APPLY: Interested and qualified applicants should send resume's to the Assistant Director of Human Resources, LSU - Health Care Services Division, P. O. Box 91308, Baton Rouge, LA. 70821-1308.
