Qualifications Requirements: This position is located in the LSU Health Care Services Division, Lallie Kemp Medical Center (LKMC) in Independence, LA. LKMC is an acute care Hospital. The pharmacist at Lallie Kemp Regional Medical Center is an exempt professional level position responsible for the procurement, distribution, and control of pharmaceuticals, the evaluation and dissemination of comprehensive information about drugs and their use to the staff and patients and the clinical monitoring, evaluation, and assurance of the quality of drug use. These functions are carried out in cooperation with other institutional departments, policies, and programs. Pharmacists oversee the activities of technicians and pharmacy students (if applicable).

The incumbent in the Pharmacist position assures that the well-being of the patient is met by the following: appropriate, accurate and timely dispensing of the medications and IV admixtures to hospital patients. Monitors drug therapy. Provides drug information. Provides in-service education and patient teaching. Participates in quality assurance activities.

How to Apply: Qualified candidates must send a resume to:
