Lallie Kemp Medical Center Human Resources

52579 Hwy 51 South Independence, LA 70422

985-878-1385

**QUALIFICATIONS:**

**MINIMUM QUALIFICATIONS:**

Three years of experience in the operation, repair and/or maintenance of large commercial or industrial type stationary engines or mechanical equipment such as air conditioning, heating, refrigeration, pumping, generating, chillers, or closely related systems.

**SUBSTITUTIONS:**

Training in commercial air conditioning, refrigeration or diesel mechanics will substitute for a maximum of two years of the required experience on a month for month basis.

**NOTE:**

Incidental duties in operating or maintaining one's own heating, air conditioning or related equipment will not be considered as qualifying experience.

**NECESSARY SPECIAL REQUIREMENT:**

For those positions in which incumbents will be working with and handling refrigerants, possession of an appropriate EPA refrigerant recycling and recovery certification for technicians will be required (as required under Section 608 of the Clean Air Act, 1990).

**NOTE:**

Additional information regarding technician certification requirements and programs may be obtained by calling the Stratospheric Ozone Protection Hotline at (800) 296-1996 (10am-4pm Eastern Time, Monday-Friday except federal holidays) or by visiting the EPA's Stratospheric Ozone Depletion Web Site at [www.epa.gov/ozone/title6/608](http://www.epa.gov/ozone/title6/608).
