SUPPLEMENTAL INFORMATION:

As part of a Career Progression Group, vacancies may be filled from this recruitment as a Operating Engineer 1 or Operating Engineer 2 depending on the level of experience of the selected applicant(s). Please refer to the 'Job Specifications' tab located at the top of the LA Careers 'Current Job Opportunities' page of the Civil Service website for specific information on salary ranges, minimum qualifications and job concepts for each level.

No Civil Service test score is required in order to be considered for this vacancy.

To apply for this vacancy, click on the "Apply" link above and complete an electronic application, which can be used for this vacancy as well as future job opportunities. Applicants are responsible for checking the status of their application to determine where they are in the recruitment process. Further status message information is located under the Information section of the Current Job Opportunities page.

Resumes WILL NOT be accepted in lieu of completed education and experience sections on your application. Applications may be rejected if incomplete.
