No agency/university/board may have a blanket authorization for out of state travel.

- j. Employees who infrequently travel or travelers that incur significant out-of-pocket cash expenditures and whose salaries are less than \$30,000/year.

It is the traveler's responsibility to properly complete and submit to the Board of Ethics in the time required. 6. **NO REIMBURSEMENT WHEN NO COST INCURRED BY TRAVELER.** This includes but is not limited to reimbursements for any lodging and/or meals furnished at a state institution or other state agency, or furnished by any other party at no cost to the traveler. In no case will a traveler be allowed mileage or transportation when he/she is gratuitously transported by another person.

### C. CLAIMS FOR REIMBURSEMENT

1. All claims for reimbursement for travel shall be submitted on the State's Travel Expense Form, BA-12, unless exception has been granted by the Commissioner of Administration, and shall include all details provided for on the form. It must be signed by the person claiming reimbursement and approved by his/her immediate supervisor. In all cases, the date and hour of departure from and return to domicile must be shown, along with each final destination throughout the trip clearly defined on the form.  
On the State's Travel Authorization Form GF-4, the second page must be completed with the breakdown of the estimated travel expenses. This is necessary for every trip, not just when requesting a travel advance. For every travel authorization request, the "purpose of the trip" for travel must be stated in the space provided on the front of the form.
2. Except where the cost of air transportation, registration, lodging, rental vehicles, shuttle service, and all other allowable charges outlined in the current State of Louisiana State Liability Travel and CBA policy are invoiced directly to the agency, or charged to a state liability card, any and all expenses incurred on any official trip shall be paid by the traveler and his/her travel expense form shall show all such expenses in detail so that the total cost of the trip shall be reflected on the travel expense form. If the cost of the expenses listed above are paid directly or charged directly to the agency/department, a notation will be indicated on the travel expense form indicating the date of travel, destination, amount, and the fact that it has been paid by the agency/department. The traveler must provide receipts, for all items charged or billed direct to the agency.
3. In all cases, and under any travel status, cost of meals shall be paid by the traveler and claimed on the travel expense form for reimbursement, and not charged to the state department, unless otherwise authorized by the Department Head or his/her designee, allowed under the State Liability Travel, CBA and/or LaCarte Purchasing Card Policy, or with written approval from State Travel Office. A file must be kept containing all of these special approvals.
4. Claims should be submitted within the month following the travel, but preferably held until a reimbursement of a least \$25.00 is due. Department Heads, at their discretion, may make the 30-day submittal mandatory on a department wide basis.
5. Any person who submits a claim pursuant to these regulations and who willfully makes and subscribes to any claim which he/she does not believe to be true and correct as to every material matter, or who willfully aids or assists in, or procures, counsels or advises the preparation of presentation of a claim, which is fraudulent or is false as to any material matter shall be guilty of official misconduct. Whoever shall receive an allowance or reimbursement by means of a false claim shall be subject to disciplinary action as well as being criminally and civilly liable within the provisions of state law.
6. Agencies are required to reimburse travel in an expeditious manner. In no case shall reimbursements require more than thirty (30) days to process from receipt of complete, proper travel documentation.

## **S1504. METHODS OF TRANSPORTATION**

### **A. Cost-effective transportation**

The most cost-effective method of transportation that will accomplish the purpose of the travel shall be selected. Among the factors to be considered are: length of travel time, employee's salary, cost of operation of a vehicle, cost and availability of common carrier services, etc. Common carrier shall be used for out-of-state travel unless it is documented that utilization of another method of travel is more cost efficient or practical and approved in accordance with these regulations.

### **B. Air**

1. **Private Owned or Charter Planes** - Before travel by privately-owned or by chartered aircraft is authorized for individual's travel by a department head, the traveler shall certify that: (1) at least two hours of working time will be saved by such travel; and (2) no other form of transportation, such as commercial air travel or a state plane, will serve this same purpose.

- a. Chartering a privately owned aircraft must be in accordance with the Procurement Code.
- b. Reimbursement for use of a chartered or un-chartered privately owned aircraft under the above guidelines will be made on the following basis:
  - i. At the rate of \$1.26 cents per mile; or
  - ii. At the lesser of coach economy airfare.

If there are, extenuating circumstances requiring reimbursement for other than listed above, approval must be granted by the Commissioner of Administration.

- c. When common carrier services are unavailable and time is at a premium, travel via state aircraft shall be investigated and such investigation shall be documented and readily available in the department's travel reimbursement files. Optimum utilization will be the responsibility of the department head.

2. **Commercial Airlines** - (Receipts required) All state travelers are to purchase commercial airline tickets through the state contracted travel agency. This requirement is mandatory unless approval is granted from Office of State Travel. (In the event travelers seek approval to go outside the travel agency, they shall submit their request through their agency travel program administrator, who will determine if the request should be submitted to the Office of State Travel).

While state contractors are not required to use the state's contracted travel agency when purchasing airfare, it will be the agency's responsibility to monitor cost ensuring that the contractor(s) are purchasing the lowest, most logical airfare.

The State always supports purchasing the "best value" ticket. Therefore, once all rates are received, the traveler must compare cost and options to determine which fare would be the "best value ticket" for their trip. To make this determination, the traveler must ask the question: Is there a likelihood my itinerary could change or be cancelled? Depending on the response, the traveler must determine if the costs associated with changing a non-refundable ticket, usually around \$200 would still be the best value.

Another factor, to assist having a travel agent search the lowest fare, is advising the agent if the traveler is flexible in either dates or time of travel. By informing, the travel agent of your “window of time” for your departure and return will assist them to search for the best price.

- a. Travelers are to seek airfare allowing an ample amount of lead-time prior to departure date. The lead-time should be about (10) ten to (14) fourteen days in advance of travel dates to ensure the lowest fares are available.
- b. **NOTE: COST OF A PREFERRED OR PREMIUM SEAT IS NOT REIMBURSABLE.**

To avoid these charges or to avoid being bumped, a traveler must check in as early as possible. A traveler should check-in online 24 hours prior to a flight or check-in at the airport several hours prior to departure to obtain a seat assignment. Please be aware that it is a strict airline policy that a traveler must check-in, at a minimum, prior to 30 minutes of departure. The airlines are very strict about this policy. Airline rules typically state that if you do not arrive at least 30 minutes before the schedule departure, you may forfeit your reservation. The earlier you arrive at the gate increases the chances of retaining your original reservation and assurance of a seat on the flight purchased.
- c. Commercial air travel will not be reimbursed in excess of lowest logical airfare when it has been determined to be the best value (receipts required). The difference between coach/economy class rates and first class or business class rates will be paid by the traveler. Upgrades at the expense of the State are **NOT** permitted, without prior approval from the Commissioner of Administration. If space is not available in less than first or business class air accommodations in time to carry out the purpose of the travel, the traveler will secure a certification from the airline or contracted travel agency indicating this fact. The certification is required for travel reimbursement.
- d. The policy regarding airfare penalties is that the state will pay for the airfare and/or penalty incurred for a change in plans or cancellation when the change or cancellation is required by the State or other unavoidable situations approved by the agency’s Department Head. Justification for the change or cancellation by the traveler’s department head is required on the travel expense form.
- e. When an international flight segment is more than 10 hours in duration, the state will allow the business class rate not to **exceed** 10% percent of the coach rate. The traveler’s itinerary provided by the travel agency must document the flight segment as more than 10 hours and must be attached to the travel expense form.
- f. A lost airline ticket is the responsibility of the person to whom the ticket was issued. The airline fee of searching and refunding lost tickets will be charged to the traveler. The difference between the prepaid amount and the amount refunded by the airlines must be paid by the employee.
- g. Traveler is to use the lowest logical airfare whether the plane is a prop or a jet.
- h. Employees may retain hotel reward points and frequent flyer miles earned on official state travel, unless an agency deems the points as property of the state.

However, if an employee makes travel arrangements that favor a preferred airline/supplier to receive these reward points and this circumvents purchasing the most economical means of travel, they are in violation of this travel policy. Costs for travel arrangements subject to this violation are non-reimbursable.

- i. When making airline reservation for a conference, let the travel agent know that certain airlines have been designated as the official carrier for the conference. In many instances, the conference registration form specifies that certain airlines have been designated as the official carrier offering discount rates, if available. If so, giving this information to our contracted agency could result in them securing that rate for your travel.
- j. Tickets which are unused by a traveler should always be monitored by the traveler and the agency. Traveler should ensure that any unused ticket is considered when planning future travel arrangements. Some airlines have a policy, which would allow for a name change to another employee within the agency. A view of the latest airline policies regarding unused tickets are available at the State Travel Office's website.  
<https://www.doa.la.gov/doa/ost/airfare-airport/>

Ultimately, it is the traveler's responsibility to determine, upon initial notification of an unused ticket and then every 30 days thereafter, if traveler will be utilizing the unused ticket. If it is determined that the ticket will not be utilized prior to expiration and there is a possibility to transfer the ticket, the traveler must immediately advise the agency travel administrator that the ticket is available for use by another employee, section or agency. The travel administrator should then act accordingly.

In addition, the Department Head, at a minimum of three months prior to expiration, must review all unused airfare to determine, based on the traveler's justification, if reimbursement from the traveler must be made to the agency for the amount of the unused ticket. All files must be properly documented.

This may be accomplished with the unused ticket report sent to each agency program administrator each month from the contracted travel agency. This report in conjunction with employee notifications while booking other flights and employee email notifications every 120, 90, 60, 30 and 14 days prior to ticket expiration should be more than sufficient to reduce the loss of reusable airfare.

### C. **Motor Vehicle**

No vehicle may be operated in violation of state or local laws. No traveler may operate a vehicle without having in his/her possession a valid U.S. driver's license. Safety restraints shall be used by the driver and passengers of vehicles. All accidents, major or minor, shall be reported first to the local police department or appropriate law enforcement agency. In addition, an accident report form, available from the Office of Risk Management (ORM) of the Division of Administration should be completed as soon as possible and must be returned to ORM, together with names and addresses of principals and witnesses.

Any questions about this should be addressed to the Office of Risk Management of the Division of Administration. These reports shall be in addition to reporting the accident to the Department of Public Safety as required by law.

Operating a state-owned vehicle, state-rented vehicle or state leased vehicle or operating a non-state-owned vehicle for business while intoxicated as set forth in R.S. 14:98 and 14:98.1 is strictly prohibited, unauthorized, and expressly violates the terms and conditions of use of said vehicle. In the event such operation results in the employee being convicted of, pleading nolo contendere to, or pleading guilty to, driving while intoxicated under R.S. 14:98 or 14:98.1, such would constitute evidence of the employee:

1. Violating the terms and conditions of use of said vehicle
2. Violating the direction of his/her employer, and
3. Acting beyond the course and scope of his/her employment with the State of Louisiana.

Personal use of a state-owned, state-rented or state-leased vehicle is not permitted.

No person may be authorized to operate or travel in a state owned or rental vehicle unless that person is a classified or unclassified state officer or employee of the State of Louisiana; any duly appointed member of a state board, commission, or advisory council; or any other person who has received specific approval, and is deemed as an authorized traveler, on behalf of the State, from the Department Head or his designee to operate or travel in the vehicle on official state business only. A file must be kept containing all of these approvals.

Any persons who are not official state employees, as defined above, must sign an Acknowledgement of Non-State Employees Utilizing State Vehicles form, located at the Office of State Travel's website, <https://www.doa.la.gov/oa/ost/forms/> prior to riding in or driving a state-owned vehicle or rental vehicle on behalf of the State. Each agency is responsible for ensuring that this along with any other necessary documents and requirements are completed and made part of the travel file prior to travel dates.

Students not employed by the State shall not be authorized to drive state-owned or rented vehicles for use on official state business. A student may be deemed as an "authorized traveler" on behalf of the State by the Department Head or his designee. An authorized traveler can be reimbursed for their travel expenses. The Acknowledge of Non-State Employees Utilizing State Vehicles form acknowledging the fact that the state assumes no liability for any loss, injury, or death resulting from said travel must be signed as part of the approval process. A file must be kept containing all of these approvals.

Persons operating a state owned rental or personal vehicle on official state business would be completely responsible for all traffic, driving and parking violations received. This does not include state-owned or rental vehicle violations, i.e. inspection sticker, as the State and/or rental company would be liable for any cost associated with these types of violations.

## **1. State-Owned Vehicles**

- a. Travelers in state-owned automobiles who purchase needed fuel, repairs and equipment while on travel status shall make use of all fleet discount allowances and state bulk purchasing contracts where applicable. Reimbursements require a receipt and only regular unleaded gasoline, or diesel when applicable, must be used. This applies for both state owned vehicles and rental vehicles, as mid-grade, super, plus or premium gasoline is not necessary. If traveler utilizes anything other than regular unleaded gasoline unless vehicle requires diesel, or any other manufactory mandated grade, without justification

and prior approval from the agency Department Head, traveler must reimburse the agency the difference between what was paid and the state average gasoline rate. Each agency/department shall familiarize itself with the existence of the fuel/repair contract(s), terms and conditions as well as locations of vendors.

- b. State-owned vehicles may be used for out-of-state travel only if permission of the Department Head has been given prior to departure.  
If a state-owned vehicle is to be used to travel to a destination more than 500 miles from its usual location, documentation that this is the most cost-effective means of travel should be readily available in the department's travel reimbursement files. When the use of a state-owned vehicle has been approved by the Department Head for out-of-state travel for the traveler's convenience; the traveler is personally responsible for any other expense in-route to and from their destination, which is inclusive of meals and lodging. If a traveler, at the request of the department, is asked to take his/her personally, owned vehicle out-of-state for a purpose that will benefit the agency, then the Department Head may on a case-by-case basis determine to pay a traveler for all / part of in-route travel expenses.
- c. Unauthorized persons should not be transported in state vehicles. Approval of exceptions to this policy may be made by the Department Head if he determines that the unauthorized person is part of the official state business and the best interest of the state will be served and the passenger (or passenger's guardian) signs an Acknowledgement of Non-State Employees Utilizing State Vehicles form acknowledging the fact the state assumes no liability for any loss, injury, or death resulting from said travel.
- d. If a state vehicle is needed/requested to be brought to the home of a state traveler overnight, then the agency/traveler should ensure it is in accordance with requirements outlined in R.S. 39:361-364.

## 2. **Personally Owned Vehicles**

- a. When two or more persons travel in the same personally owned vehicle, only one charge will be allowed for the expense of the vehicle. The person claiming reimbursement shall report the names of the other passengers.
- b. At the discretion of the Department head or his/her designee, mileage to and from airport(s) may be allowed while on official state business. This approval may include reimbursement for an employee who is being dropped off and/or picked up from airports. Reimbursement may not exceed a maximum of 99 miles per round trip and/or day at a rate of .56 cents per mile. Personal vehicle mileage reimbursements require an odometer reading or website mileage calculator.
- c. A mileage allowance shall be authorized for travelers approved to use personally owned vehicles while conducting official state business. Mileage may be reimbursable at no more than .56 cents per mile, based on actual physical addresses and in accordance with the following:

For official in-state business travel:

- Employee should utilize a state vehicle when available
- Employee may rent a vehicle from the State's in-state contracts Enterprise, National and Hertz, if a state vehicle is not available and travel exceeds 100 miles; or

- If an employee elects to use his/her personal vehicle, reimbursement may not exceed a maximum of 99 miles per round trip and/or day (or the return to domicile) at .56 cents per mile.  
Please note that mileage is applicable for round trip (multiple days) and/or round trip (one day).
- Examples
  1. If someone leaves Baton Rouge, travels to New Orleans and returns that same day, they are entitled to 99 miles maximum for that day trip if they choose to drive their personal vehicle.
  2. If someone leaves Baton Rouge, travels to New Orleans, and returns two days later, they are entitled to 99 miles maximum for the entire "trip" if they choose to drive their personal vehicle.
  3. If someone leaves Baton Rouge, travels to New Orleans then on to Lafayette, Shreveport, Monroe and returns to the office four days later, they are entitled to 99 miles maximum for the entire "trip" if they choose to drive their personal vehicle.
- d. Mileage shall be computed by one of the following options:
  1. Based on odometer readings from point of origin to point of return.
  2. By using a website mileage calculator or a published software package for calculating mileage such as Tripmaker, How Far Is It, MapQuest, etc.  
Employee is to print the page indicating a physical address, mileage and attach it with his/her travel expense form.
- e. An employee shall never receive any benefits from not living in his/her official domicile. In computing reimbursable mileage, while the employee is on official state travel status, to an authorized travel destination from an employee's residence outside the official domicile, the employee is always to claim the lesser of the miles from their official domicile or from their residence. If an employee is leaving on a non-work day or leaving significantly before or after work hours, the Department Head may determine to pay the actual mileage from the employee's residence, not to exceed a maximum of 99 miles per round trip and/or day at .56 cents per mile. See examples, Section C.2.c.
- f. The Department Head or his/her designee may approve an authorization for routine travel for an employee who must travel in the course of performing his/her duties; this may include domicile travel if such is a regular and necessary part of the employee's duties, but not for attendance to infrequent or irregular meetings, etc. within the city limits where his/her office is located, the employee may be reimbursed for mileage only not to exceed a maximum of 99 miles per round trip and/or day at .56 cents per mile. See examples, Section C.2.c.
- g. Reimbursements will be allowed on the basis of .56 cents per mile, not to exceed a maximum of 99 miles per round trip and/or day, to travel between a common carrier/terminal and the employee's point of departure, i.e. home, office, etc., whichever is appropriate and in the best interest of the state. See examples, Section C.2.c.

h. When the use of a private-owned vehicle has been approved by the Department Head for out-of-state travel for the traveler's convenience, the traveler will be reimbursed for mileage on the basis of **.56 cents per mile only**, not to exceed a maximum of 99 miles per round trip and/or day. If prior approval for reimbursement of actual mileage is requested and granted by the Commissioner of Administration, the total cost of the mileage reimbursement may never exceed the cost of a rental vehicle or the cost of travel by using the lowest logical airfare, obtained at least 14 days prior to the trip departure date, whichever is the lesser of the two. The reimbursement would be limited to one lowest logical airfare quote or one vehicle rental, not the number of persons traveling in the vehicle. The traveler is personally responsible for any other expenses in-route to and from destination, which is inclusive of meals and lodging. If a traveler, at the request of the department, is asked to take his/her personally owned vehicle out-of-state for a purpose that will benefit the agency, then the Department Head may on a case-by-case basis determine to pay a traveler for all / part of in-route travel expenses, however, mileage reimbursement over 99 miles would still require prior approval from the Commissioner of Administration. In this case, once prior approval is obtained from the Commissioner of Administration to exceed 99 miles, and then the Department Head may authorize actual mileage reimbursements. File should be justified accordingly.

i. When a traveler is required to regularly use his/her personally owned vehicle for agency activities, the agency head may request prior authorization from the Commissioner of Administration for a lump sum allowance for transportation or reimbursement for transportation (mileage). Request for lump sum allowance must be accompanied by a detailed account of routine travel listing exact mileage for each such route and justification why a rental vehicle is not feasible. Miscellaneous travel must be justified by at least a three-month travel history to include a complete mileage log for all travel incurred, showing all points traveled to or from and the exact mileage. Request for lump sum allowance shall be granted for periods not to exceed one fiscal year. A centralized file must be kept containing all approvals.

WHEN SOMEONE IS GRANTED A MONTHLY VEHICLE ALLOWANCE OR A LUMP SUM ALLOWANCE, THEY ARE NOT TO REQUEST OR BE REIMBURSED FOR MILEAGE, FUEL OR RENTAL VEHICLES, RENTAL COULD BE ALLOWED ONLY WHEN FLYING OUT OF STATE.

j. In all cases, the traveler shall be required to pay all operating expenses for his/her personal vehicle including fuel, repairs, and insurance.

k. The only exemptions which would not require the Commissioner of Administration's prior approval for actual mileage exceeding 99 miles are:

1. Members of boards and commissions, not administration/office personnel.

2. Students who are traveling on a grant, scholarship, and any other occasion where the student's use of the personal vehicle is the best and/or only method of transportation available. Although the Commissioner's approval is not necessary, Department Head approval is still required.

### 3. **Rented Motor Vehicles (Receipts Required)**

Any rental vehicle not covered in the State's in-state or out-of-state contracts should be bid in accordance with proper purchasing rules and regulations. The state has contracts for all vehicle rentals based out of Louisiana through Enterprise, National and Hertz, which use is mandatory for business travel. These contracts are also applicable to all authorized travelers, and contractors.

The state has contracts for out-of-state vehicles rentals. Travelers shall use Hertz, Enterprise, or National which use is mandatory for business travel. These contracts are applicable to all authorized travelers, and contractors.

- a. **In-State Vehicle Rental** - The State has contracted for all rentals based out of Louisiana through Enterprise, National and Hertz. State Motor Pool Rental Contracts, which use is mandatory, for business travel that applies to all State of Louisiana employees and/or authorized travelers, contractors, etc. traveling on official state business.

A rental vehicle should be used, if a state owned vehicle is not available, for all travel over 99 miles. All exemptions must be requested and granted by the Commissioner of Administration for any reimbursements that exceed 99 miles prior to the trip.

Requests for exemption must be accompanied by detailed explanation as to why a rental is not feasible. If an exemption from the program is granted by the Commissioner of Administration as stated above, then the employee will not be required to rent a vehicle and may receive actual mileage reimbursement up to .56 cents per mile.

All state contractors, who have entered into a contract with the State of Louisiana on or after March 1, 2013, and whose contracts are required to follow PPM49 for travel reimbursements, are to utilize both in-state and out-of-state mandatory contracts awarded by the State.

Although exemptions may be granted by the Commissioner of Administration, all must adhere to the current mileage reimbursement rate of no more than .56 cents per mile.

The only exemption which would not require the Commissioner of Administration's prior approval for exceeding the 99 miles' reimbursement and receiving actual mileage reimbursements is for members of board and commissions, not administration/office personnel, and for students which are traveling on a grant, scholarship, or any other occasion where use of the personal vehicle is the best and/or only method of transportation available. Department Head approval is required. Board and commission members may receive actual mileage reimbursement of no more than .56 cents per mile.

For trips of 100 miles or more, any employee and/or authorized traveler, should use a state owned vehicle or rental vehicle from Enterprise, National and Hertz State Motor Pool Rental Contracts, when a state vehicle is not available. For trips of less than 100 miles, employees should utilize a state vehicle when available, utilize their own vehicle and receive mileage reimbursement not to exceed a maximum of 99 miles per round trip and/or day at .56 cents per mile or may rent a vehicle from Enterprise, National and Hertz State Motor Pool Rental Contracts.

Reservations are not to be made at an airport location for daily routine travel, as this will add unnecessary cost to your rental charges. An employee must purchase gasoline with the State's Fuel Card or any other approved credit card at reasonable cost from a local gasoline station prior to returning the rental. Pre-paid Fuel Options or replacement of gasoline, in any way, from the rental company, for rental vehicles, are not allowed.

If traveler utilizes any gasoline options or programs allowing rental vehicle companies to replace gasoline; or uses anything other than regular unleaded gasoline, unless vehicle requires diesel or any other manufactory-mandated grade, without justification and prior approval from the agency Department Head, traveler must reimburse the agency the difference between what was paid and the state average gasoline rate. Each agency/department shall familiarize itself with the existence of the State's fuel/repair contract(s), terms and conditions as well as locations of vendors.

- b. **Payments** - Rentals through the in-state Motor Pool Rental Contracts shall be made using the "LaCarte" purchasing card, an agency's CBA account, an employee's state corporate travel card or by direct bill to the agency. This will be an agency decision as to the form of payment chosen. If direct bill is chosen, agency must set up account billing information with Enterprise, National and Hertz. An account may be established by contacting Joseph Rosenfeld for Enterprise and National at 225-445-7250, [joseph.g.rosenfeld@ehi.com](mailto:joseph.g.rosenfeld@ehi.com). and for Hertz Nadika Perera at 239-301-7635, [nadika.perera@hertz.com](mailto:nadika.perera@hertz.com) .
- c. **Out-of State Vehicle Rental** - The State has contracted for rental vehicles for domestic, and out-of-state travel, excluding international travel, utilizing the State of Louisiana's Out-of-State Contracts, **which use is mandatory**. All State of Louisiana employees and/or authorized travelers, contractors are **mandated** to use these contracts due to exceptional pricing which includes CDW (Collision Damage Waiver) and one million dollar liability insurance. The State of Louisiana Out-of-State participating vendors include Enterprise, National, and Hertz Corporation. It is the traveler's discretion which rental company is utilized.

All state contractors, who have entered into a contract with the State of Louisiana on or after March 1, 2013, and whose contracts are required to follow PPM49 for travel reimbursements, are required to utilize both in-state and out-of-state mandatory contracts awarded by the State.

Although exemptions may be granted by the Commissioner of Administration, all must adhere to the current mileage reimbursement rate of no more than .56 cents per mile.

The only exemption which would not require the Commissioner of Administration's approval for exceeding 99 miles reimbursement and receiving actual mileage reimbursements is for students that are traveling on a grant, scholarship, or any other occasion where use of the personal vehicle is the best and/or only method of transportation. Department Head approval is required.

- d. **Payments** - Rentals made through the State of Louisiana Out-of-State Contracts shall be made using the "LaCarte" purchasing card, an agency's CBA account, an employee's state corporate travel card or by direct bill to the agency. This will be an agency decision as to the form of payment chosen.

If a direct bill account is chosen for Enterprise and National, you may contact Joseph Rosenfeld at 225-445-7250, [joseph.g.rosenfeld@ehi.com](mailto:joseph.g.rosenfeld@ehi.com) and for Hertz, you may contact Nadika Perera at 239-301-7635, [Nadika.Perera@hertz.com](mailto:Nadika.Perera@hertz.com)

- e. **Approvals** - Written approval of the Department Head or his/her designee prior to departure is required for the rental of vehicles, however, if your agency chooses, approval may be handled on an annual basis if duties require frequent rentals. Special approval is required, from the Department Head or his/her designee, for rental of any vehicle in the full size category and above. File must include proper justification.
- f. **Vehicle Rental Size** - Only the cost of a compact or standard/intermediate model is reimbursable, unless:
  - 1. Non-availability is documented; or
  - 2. The vehicle will be used to transport more than two persons.  
Note: When a larger vehicle is necessary as stated in number 1 above or a larger vehicle is necessary due to the number of persons being transported, the vehicle shall be upgraded only to the next smallest size and lowest price necessary to accommodate the number of persons traveling.

A Department Head or his/her designee may, on a case-by-case basis, authorize a larger sized vehicle provided detailed justification is made in the employee's file. Such justification could include, but is not limited to, specific medical requirements when supported by a doctor's recommendation.

- g. **Personal Use of Rental** - Personal use of a rental vehicle, when rented for official state business, is not allowed.
- h. **Gasoline (Receipts Required)** - Reimbursements require an original receipt and only regular unleaded gasoline, or diesel when applicable, must be used. This applies for both state owned vehicles and rental vehicles, as mid-grade, super, plus or premium gasoline is not necessary.

An employee must purchase gasoline from a local gasoline station prior to returning the rental. Pre-paid Fuel Options or replacement of gasoline, in any way, from the rental companies, for rental vehicles, are not allowed. If traveler utilizes any gasoline options or programs allowing rental vehicle companies to replace gasoline; or uses anything other than regular unleaded gasoline, unless vehicle requires diesel or any other manufactory-mandated grade, without justification and prior approval from the agency Department Head, traveler must reimburse the agency the difference between what was paid and the state average gasoline rate. Each agency/department shall familiarize itself with the existence of the fuel/repair contract(s), terms and conditions as well as locations of vendors.

- i. **Insurance for Vehicle Rentals within the 50 United States:** Insurance billed by car rental companies is not reimbursable. All insurance coverage for rental vehicles, other than the State's in-state and out-of-state mandatory contracts is provided by the Office of Risk Management. Should a collision occur while on official state business, the accident should immediately be reported to the Office of Risk Management and rental companies. Any damage involving a third party must be reported to appropriate law enforcement entity to have a police report generated.

CDW/Damage Waiver insurance and \$1 Million Liability Protection Coverage is included in the State's in-state and out-of-state rental contract pricing.

Note: Lost Keys and car door unlocking services for rental vehicles are not covered under the damage waiver policy and are very costly. The agency should establish an internal procedure regarding liability of costs.

NO OTHER INSURANCE WILL BE REIMBURSED WHEN RENTING, EXCEPT WHEN RENTING OUTSIDE THE 50 UNITED STATES, SEE SECTION 1504. C.3.j. There should be no other charges added to the base price, unless the traveler reserves the vehicle at an airport location (which is NOT allowed for daily routine travel unless prior approval from the Commissioner of Administrator). Reimbursable amounts would then be submitted at the end of the trip on a travel expense form.

- j. **Insurance for Vehicle Rentals Outside the 50 United States** (Receipts Required) The Office of Risk management (ORM) recommends that the appropriate insurance (liability and physical damage) provided through the car rental companies be purchased when the traveler is renting a vehicle outside the 50 United States. With the approval of the Department Head or his/her designee required insurance costs may be reimbursed for travel outside the 50 United States only.
  - a. The following are insurance package available by rental vehicle companies which are reimbursable:
    - i. Collision Damage Waiver (CDW) - should a collision occur while on official state business, the cost of the deductible should be paid by the traveler and submit a reimbursement claimed on a travel expense form. The accident should also be reported to the Office of Risk Management.
    - ii. Loss Damage Waiver (LDW)
    - iii. Auto tow Protection (ATP) \*approval of Department Head.
    - iv. Supplementary Liability Insurance (SLI) \* if required by the rental company.
    - v. Theft and/or Super Theft Protection (coverage of contents lost during a theft or fire), \* if required by the car rental company.
    - vi. Vehicle coverage for attempted theft or partial damage due to fire, \*if required by the car rental company.
  - b. The following are some of the insurance packages available by rental vehicle companies that **are not reimbursable**.
    - i. Personal Accident Coverage Insurance (PAC).
    - ii. Emergency Sickness Protection (ESP).
- k. **Navigation Equipment (GPS System)** rented, not purchased, from a rental car company, may only be reimbursed if an employee justifies the need for such equipment and with prior approval of the Department Head or his/her designee.

#### 4. **Public Ground Transportation**

The cost of public ground transportation such as buses, subways, airport shuttle/limousines, and taxis are reimbursable when the expenses are incurred as part of approved state travel. See receipt requirements below.

Public transportation to and from the airport, while on official state business, may be reimbursed with a receipt.

If utilizing Uber or Lyft type services, only a standard size vehicle is reimbursable with an itemized receipt. Premium or larger vehicles size are not reimbursable. Any additional charges other than standard fare rates are not reimbursable i.e. wait time fees. Travelers should utilize the most economic ground transportation without occurring additional markup fees.

When travelers utilize a free shuttle service, a \$5.00 tip may be allowed (no receipt is required). This is not an automatic tip reimbursement, as travelers must show proof that the service was utilized.

Airport shuttle limousines, taxis and all other public transportation where a receipt is available, requires a receipt for reimbursements. A driver's tip for shuttle/limousines and taxis may be given and must not exceed 20% of total charge. Amount of tip must be included on receipt received from driver/company.

All other forms of public ground transportation, where a receipt is not possible and other than those listed above, are limited to \$10 per day without a receipt, claims in excess of \$10 per day requires a receipt. At the agency's discretion, the Department Head may implement an agency wide policy requiring receipts for all public transportation request less than \$10 per day.

To assist agencies with verification of taxi fares, you may contact the taxi company for an estimate or visit sites such as taxifarefinder.com. An employee should always get approval, prior to a trip, if multiple taxis will be used; as it may be in the agency's best interest to rent a vehicle versus reimbursement of multiple taxi expenses.

#### **S1505. STATE ISSUED TRAVEL CREDIT CARDS/CBA ACCOUNTS**

##### **A. Use**

All high cost expenditures (airfare, lodging, vehicle rentals, and registration) must be placed on the LaCarte Purchasing Card, Travel Card or agency CBA programs unless prior approval is granted from the Commissioner of Administration. The State Travel Office contracts for an official state corporate travel card to form one source of payment for travel. If a supervisor recommends an employee be issued a state travel card, the employee should complete an application through their agency travel program administrator.

1. The employee's corporate travel card is for **official state travel business purposes only**. Personal use on the travel card shall result in disciplinary action.
2. If a vendor does not accept credit card payment for registration or lodging—expense, the Department Head may approve for payment(s) to be made by other means.  
Traveler must submit supporting documentation from vendor stating they do not accept credit card payments. The supporting document must be kept with the travel expense form.

## B. Liability

1. The Corporate travel card is the liability of the State. Each monthly statement balance is due in full to the card-issuing bank. The State will have no tolerance to assist those employees who abuse their travel card privileges.
2. The Department/Agency is responsible for cancellation of Corporate Travel Cards for those employees terminating/retiring from state service.

## S1506. LODGING AND MEALS

### A. Eligibility

1. **Official Domicile/Temporary Assignment** - Travelers are eligible to receive reimbursement for travel only when away from “official domicile” or on temporary assignment unless exemption is granted in accordance with these regulations. Temporary assignment will be deemed to have ceased after a period of thirty consecutive calendar days, and after such period the place of assignment shall be deemed to be his/her official domicile. He/she shall not be allowed travel and subsistence unless permission to extend the thirty-day period has been previously secured from the Commissioner of Administration.
2. **Extended Stays**  
For travel assignments approved by the Commissioner of Administration involving duty for extended periods (31 or more consecutive days) at a fix location, the reimbursement rates indicated should be adjusted downward whenever possible. Claims for meals and lodging may be reported on a per diem basis supported by lodging receipt. Care should be exercised to prevent allowing rates in excess of those required to meet the necessary authorized subsistence expenses. It is the responsibility of each agency head to authorize only such travel allowance as are justified by the circumstances affecting the travel.

The only exemption, for travel of 31 days or more, which does not require the Commissioner of Administration’s approval, are students, professors, or other state travelers which are traveling on a grant, scholarship, studying aboard or any other occasion where funds utilized are other than state general funds. Department Head approval is required.

3. **Single Day Travel** - Meals are not eligible for reimbursements on single day travel. This means that when an authorized traveler of the State is in travel status where no overnight stay is required, no meals are eligible for reimbursement. However, the Department Head will be allowed to authorize Single Day Meal reimbursement on a case-by-case basis or by types(s) of single day travel when it is determined to be in the best interest of the department. In those cases, the department must keep the approvals in the travel file and **must be responsible** to take appropriate steps to report the reimbursement as wages to the employee. Each Department Head or their designees are to determine the reasonableness of when an overnight stay is justified.

If a Department Head or his/her designee determines that Single Day Meals will be provided for, they must adhere the following allowances: To receive any meal reimbursement on single day travel, an employee must be in travel status for a minimum of 12 hours. The maximum allowance for meal reimbursement for single day travel will be \$45.00.

- a. **Breakfast & Lunch:** (\$28.00) the 12 hours travel duration must begin at or before 6:00 a.m.
  - b. **Lunch:** (\$16.00) Requires 12 hours duration in travel status.
  - c. **Lunch & Dinner:** (\$45.00) The 12 hour travel duration must end at or after 8:00 p.m.
4. **Travel with Over Night Stay:** (minimum of 12 hours in travel status) Travelers may be reimbursed for meals according to the following schedule.
- a. **Breakfast:** When travel begins at/or before 6 a.m. on the first day of travel or extends at/or beyond 9 a.m. on the last day of travel, and for any intervening days.
  - b. **Lunch:** When travel begins at/or before 10 a.m. on the first day of travel or extends at/or beyond 2 p.m. on the last day of travel, and for any intervening days.
  - c. **Dinner:** When travel begins at/or before 4 p.m. on the first day of travel or extends at/or beyond 8 p.m. on the last day of travel, and for any intervening days.
5. **Alcohol:** Reimbursement for alcohol is prohibited.

## B. Exceptions

1. Routine Lodging Overage Allowances (Receipts required): Department Head or his/her designee has the authority to approve actual costs for routine lodging provision on a case by case basis, not to exceed fifty percent over PPM49 current listed rates. (Note: this authority is for routine lodging only and not for conference lodging or any other area of PPM49). Justification and approval must be maintained in the file to show that attempts were made with hotels in the area to receive the state/best rate.

In areas where the Governor has declared an emergency, a Department Head or his/her designee will have the authority to approve actual routine lodging provisions on a case-by-case basis not to exceed **seventy-five** percent over PPM49 current listed rates. Each case must be fully documented as to necessity (e.g. proximity to meeting place) and cost effectiveness of alternative options. Documentation must be readily available in department's travel reimbursement files.

2. Actual Expenses for Elected Officials, Board Members (if allowed by the Board), and State Officers (Itemized receipts are required for each item claimed): Elected Officials, Board Members (if allowed by the Board), State Officers, others so authorized by statute, or any individual preapproved exception will be reimbursed on an actual expense basis, for meals and lodging, while in travel status, except in cases where other provisions for reimbursement have been made by statute. (Itemized Receipt(s) Required) Request shall not be extravagant and will be reasonable in relation to the purpose of travel. Elected Officials, Board Members (if allowed by the Board) and State Officers entitled to actual expenses reimbursement are only exempt from meals and lodging rates; they are subject to the time frames and all other requirements as listed in these travel regulations.

## C. Meals and Lodging Allowances- **MEAL RATES ARE NOT A PER DIEM – ONLY THE MAXIMUM ALLOWED WHILE IN TRAVEL STATUS**)

1. Meal Allowance- Includes Tax and Tips– Receipts are not required for routine meals within these allowances, unless a cash advance was received. (See Section 1503.B.2). Number of meals claimed must be shown on travel expense form.

For meal rates, the inclusion of suburbs (see definition of suburb) shall be determined by the Department Head or his/her designee on a case-by case basis. **See tier pricing below. Partial meals such as continental breakfast or airline meals are not considered meals.**

Note: If a meal is included in a conference schedule, it is part of the registration fee, therefore, an employee cannot request/receive additional reimbursement for that meal.

2. Meals with relative or friends may not be reimbursed unless the host can substantiate costs for providing for the traveler. The reimbursement amount will not automatically be the meal cost for that area, but rather the actual cost of the meal. Example: The host would have to show proof of the cost of extra food, etc. Cost shall never exceed the allowed meal rate listed for that area.
3. **Routine Lodging Allowance** - the State has contracted for all hotel expenditures through HotelPlanner. Lodging rate, plus tax and any mandatory surcharges is allowed. (Receipts are required) For lodging rates, the inclusion of suburbs (see definition of suburb), shall be determined by the Department Head or his/her designee on a case-by-case basis. Employees should always attempt to use the tax-exempt form located on the State Travel Office website for all in-state lodging. (<https://www.doa.la.gov/media/er0b2lwj/travelexemption-travelexpense.pdf>) when traveling in-state on official state business, and must be used if hotel expenses are being charged to employee's State Corporate Travel Card, State's LaCarte Card, or the agency's CBA account. When two or more employees on official state business share a lodging room, the State will allow the actual cost of the room; subject to a maximum amount allowed for an individual traveler times the number of employees.

**NOTE:** For any overages which exceed PPM 49 (i.e. hotels, rentals etc...), without prior approval, along with justification, the traveler will be responsible for reimbursing the agency.

4. Lodging with relatives or friends may not be reimbursed unless the host can substantiate costs for accommodating the traveler. The amount will not automatically be the lodging cost for that area, but rather the actual cost of accommodations. Example: The host would have to show proof of the cost of extra water, electricity, etc. Cost shall never exceed the allowed routine lodging rate listed for that area. Department Head or his/her designee's approval must be provided to allow lodging expenses to be direct billed to an agency.
5. Conference Lodging Allowance - Employees may be allowed lodging rates, plus tax (other than State of Louisiana tax) and any mandatory surcharge. Receipts are required along with documentation showing the actual conference rate. Department Head or his/her designee has the authority to approve the actual cost of conference lodging, for a single occupancy, standard room, when the traveler is staying at the designated conference hotel. If there are multiple designated conference hotels, the lower cost designated conference hotel should be utilized, if available. In the event the designated conference hotel(s) have no room availability, a Department Head or his/her designee may approve to pay actual hotel cost not to exceed the conference lodging rates for other hotels in the immediate vicinity of the conference hotel. This allowance does not include Agency Hosted Conference Lodging Allowances; (see section 1510) for these allowances. In the event a traveler chooses to stay at a hotel, which is not associated with the conference, then the traveler is subject to making reservation and being reimbursed within the hotel rates that will be allowed in routine lodging only, as listed below.

Note: Training courses which are several days and have a designated hotel and rate, could be considered a “conference hotel” and therefore the designated rate could be allowed.

6. Resort fees are not allowed unless attending a conference and/or if a traveler is staying in a city where all hotels are charging a resort fee.

**Note:** Resort fees, added value charges, cleaning fees, etc... are not reimbursable.

7. Tax Recovery Charges, Service fees and/or Booking fees are not allowed when booking through companies other than State of Louisiana’s mandated travel agency or their affiliated company.
8. Traveler will be responsible for reimbursing agency for any In-state taxes when tax exemption form is not presented at time of check-in at hotel.
9. No reimbursements are allowed for functions not relating to a conference, i.e. tours, dances, golf tournaments, etc.
10. If staying at a designated conference hotel or the overflow hotel(s) you may not rent a vehicle unless prior approval is granted from the Department Head. Rental must be for official state business needs with supporting documentation maintained in the file.

**S1507. PARKING AND RELATED PARKING EXPENSES**

- A. Baton Rouge Airport - the state's current contract rate is \$4.50 per day (receipts require) for parking in the indoor parking garage as well as the outside fenced parking lot at the Baton Rouge Airport. Documentation required to receive the contract price is the airport certificate and a State ID. If the agency does not issue a State ID, the traveler would need a business card and a driver's license along with the certificate to be eligible for the state contracted rate. Airport certificate may be found on State Travel Office's website at:  
<https://www.doa.la.gov/doa/ost/parking/>

- B. New Orleans Airport Parking – At this time, only USPARK’s, uncovered parking is reimbursable at a rate of \$14.00/day plus tax with a receipt (as published on USPARK.net). In the event that USPARK has no availability, prior approval from the Office of State Travel must be obtained to receive actual reimbursement for other airport parking in New Orleans.
- C. Travelers using motor vehicles on official state business may be reimbursed for all other parking, including airport parking except as listed in A and B above, ferry fares, and road and bridge tolls. For each transaction over \$5, a receipt is required.
- D. Tips for valet parking not to exceed \$5 per day.

**S1508. REIMBURSEMENT FOR OTHER EXPENSES** (The charges are while in travel status only)  
 The following expenses, incidental to travel, may be reimbursed:

**A. Communications Expenses:**

- 1. For official state business - all business communication costs may be reimbursed, receipts required. **Note: If a traveler has an official state phone and/or is receiving a monthly stipend, reimbursements are not allowed.**
- 2. For domestic overnight travel - up to \$3 for personal calls upon arrival at each destination and up to \$3 for personal calls every second night after the first night if the travel extends several days. **Note: If a traveler has an official state phone and/or is receiving a monthly stipend, reimbursements for personal calls domestic and/or international are not allowed.**
- 3. For international travel - up to \$10 for personal calls upon arrival at each destination and up to \$10 for personal calls every second night after the first night if the travel extends several days. **Note: If a traveler has an official state phone and/or is receiving a monthly stipend, reimbursements for personal calls domestic and/or international are not allowed.**
- 4. Internet access charges for official state business from hotels or other travel locations are treated the same as business telephone charges. A department may implement a stricter policy for reimbursement of Internet charges. (Receipts required)

**B. Charges for storage and handling of state equipment/materials can be placed on the agency’s CBA account.** (Receipts required)

**C. Baggage Tips:**

- 1. Hotel Allowances - Up to \$5 tip per hotel check-in and \$5 tip per hotel checkout, if applicable.
- 2. Airport Allowances - Up to \$5 tip for airport outbound departure trip and \$5 tip for inbound departure trip (Maximum total for entire trip is not to exceed \$10.00).

**D. Luggage Allowances - (Receipt Required)** A Department Head or his/her designee may approve reimbursement to a traveler for airline charges for first checked bag for a business trip of 5 days or less and for the second checked bag for a 6-10 day business trip and /or any additional baggage

which is business related and required by the department. The traveler must present a receipt to substantiate these charges.

Travelers will be reimbursed for excess baggage charges (overweight baggage) only in the following circumstances:

1. When traveling with heavy or bulky materials or equipment necessary for business.
2. The excess baggage consists of organization records or property.

Note: Traveler should always consider shipping material to final destination or splitting material into additional pieces of luggage to avoid the excess baggage charges in order to save their agency costs.

- D. **Registration fees at conferences** (meals that are a designated integral part of the conference may be reimbursed on an actual expense basis with prior approval by the Department Head).

Note: If a meal is included in a conference schedule, it is part of the registration fee, therefore, an employee cannot request/receive additional reimbursement for that meal.

- E. **Laundry services** - employees on travel for more than seven days may be reimbursed, with Department Head or his/her designee prior approval, up to actual, but reasonable, costs incurred. Receipts are required for reimbursement.

#### **S1509. SPECIAL MEALS**

- A. Reimbursement designed for those occasions when, as a matter of extraordinary courtesy or necessity, it is appropriate and in the best interest of the state to use public funds for provision of a meal to a person who is not otherwise eligible for such reimbursement and where reimbursement is not available from another source. Requests should be within reason and may include tax and tips. Itemized receipts are required.
1. Visiting dignitaries or executive-level persons from other governmental units, and persons providing identified gratuity services to the state. This explicitly does not include normal visits, meetings, reviews, etc., by federal or local representatives.
  2. Extraordinary situations are when state employees are required by their supervisor to work more than a twelve-hour weekday or six-hours on a weekend (when such are not normal working hours to meet crucial deadlines or to handle emergencies).
- B. All special meals must have prior approval from the Commissioner of Administration or, for Higher Education, the Entity Head or his/her designee in order to be reimbursed, unless specific authority for approval has been delegated to a Department Head for a period not to exceed one fiscal year with the exception in C, as follows.
- C. Department Head may authorize a special meal within allowable rates listed under Meals Tier I, to be served in conjunction with a working meeting of departmental staff (sign-in sheet required). Reasonable delivery fee and tip may be allowed if ordered from an outside vendor. Tip should never exceed 20%.
- D. In such cases, the department will report on a quarterly basis to the Commissioner of Administration all special meal reimbursements made during the previous three months. For Higher Education, these reports should be sent to the respective Institution of Higher Education

management board. These reports must include, for each special meal, the name and title of the person receiving reimbursement, the name and title of each recipient, the cost of each meal and an explanation as to why the meal was in the best interest of the state.

Renewal of such delegation will depend upon a review of all special meals authorized and paid during the period. Request to the Commissioner for special meal authorization must include, under signature of the Department Head:

1. Name and position/title of the state officer or employee requesting authority to incur expenses and assuming responsibility for such.
2. Clear justification of the necessity and appropriateness of the request.
3. Names, official titles or affiliations of all persons for whom reimbursement of meal expenses is being requested;
4. Statement that allowances for meal reimbursement according to these regulations will be followed unless specific approval is received from the Commissioner of Administration to exceed this reimbursement limitation.
  - a. All of the following must be reviewed and approved by the Department Head or his/her designee prior to reimbursement.
  - b. Detailed breakdown of all expenses incurred, with appropriate receipts(s);
  - c. Subtraction of cost of any alcoholic beverages.
  - d. Copy of prior written approval from the Commissioner of Administration or, for Higher Education, the Entity Head or his/her designee.

**S1510. AGENCY HOSTED CONFERENCES (Both In-State and Out-of-State): State sponsored Conferences:**

An agency must solicit three (3) bona fide competitive quotes in accordance with the Governor's Executive Order for Small Purchase.

- A. **Attendee Verification:** All state sponsored conferences must have a sign-in sheet or some type of attendee acknowledgment for justification of number of meals ordered and charged.
- B. **Conference Lunch Allowance:** Lunch direct billed to an agency in conjunction with a state sponsored conference is to be within the following rates plus mandated gratuity. Any gratuity which is not mandated must not exceed 20%.

Lunch - In-State excluding New Orleans \$25

Lunch - New Orleans and Out-of-State \$30

**Any other meals such as breakfast and dinner require special approval from the Commissioner of Administration or, for Higher Education, the entity head or his designee.**

- C. **Conference Refreshment Allowance:** Cost for break allowances for meeting, conference or convention are to be within the following rates. Refreshments shall not exceed **\$5.50 per person**, per morning and/or afternoon sessions. A mandated gratuity may be added if refreshments are being catered.
- E. **Conference Lodging Allowances:** Lodging rates may not exceed twenty dollars above the current listed routine lodging rates listed for the area in which the conference is being held.

## **S1511. INTERNATIONAL TRAVEL**

- A.** International travel must be approved by the Commissioner of Administration. Higher Education, the Entity Head or his/her designee prior to departure may approve International Travel. Requests for approval must be accompanied by a detailed account of expected expenditures (such as room rate, date, meals, local transportation, etc.), and an assessment of the adequacy of this source to meet such expenditures without curtailing subsequent travel plans.
- B.** International travelers will be reimbursed the Tier IV area rates for meals and lodging, unless U.S. State Department rates are requested and authorized by the Commissioner of Administration or, for Higher Education, the entity head or his designee, prior to departure. Itemized receipts are required for reimbursement of meals and lodging claimed at the U.S. State Department rates. [https://aoprals.state.gov/web920/per\\_diem.asp](https://aoprals.state.gov/web920/per_diem.asp)
- C.** It is the agency's decision, if justification is given, to allow state travelers to be reimbursed for a VISA and/or Immunizations when the traveler is traveling on behalf of the agency/university on official state business. However, it is not considered best practice for the State to reimburse for a Passport, therefore, Passport reimbursements must be submitted to the Department Head for approval along with detailed justification as to why this reimbursement is being requested/approved.
- D.** A Department Head or his/her designee may approve a traveler's reimbursement request for a rapid COVID-19 test, if the employee will be traveling on official state business (receipts are required). If the employee is traveling international and it is required that the traveler be quarantined for a certain period, hotel, meals and internet expenses are allowed to be reimbursed per PPM49 tier rates.

## **S1512. WAIVERS**

The Commissioner of Administration may waive in writing any provision in these regulations when the best interest of the state will be served. All waivers of PPM49 must receive prior approvals from the Commissioner of Administration, except in declared emergencies.

The funds will be mailed to each parent agency, as listed within the portal.

Below is a list of important information for travelers and travel arrangers:

1. When entering your email address please verify that your email address is correct. HotelPlanner cannot resend a copy of the email confirmation/receipt. ## AIRFARE INSTRUCTIONS

### **NOTE: HOWEVER, WHEN USING CHRISTOPHERSON TRAVEL MANAGEMENT - YOU HAVE OPTIONS FOR THE TYPE OF AIRFARE TICKET PURCHASED.**

This office strongly encourages use of lowest logical airfares. You should ask the contracted travel agency to check for the lowest logical rates based on your personal needs as well as ask if there are other refundable airfares available.

The State always supports purchasing the "best value" ticket. The airlines have come out with "Basic Economy Fares" that are lower economy fares that Christopherson have blocked from their STO or agent bookings due to the fact that these fares are highly restrictive. Example: no carry-on baggage, seat assignments at airport and no changes or refunds allowed. You may see these fares on airline websites and Christopherson do not offer or book these types of fares.

Therefore, once all rates are received, the traveler must compare cost and options to determine which fare would be the "best value" for their trip. To make this determination, the traveler must ask the question: Is there a likely-hood my itinerary could change or be cancelled? Depending on the response, you must determine if the costs associated with changing a non-refundable ticket (usually around \$200 domestic and \$300+ for international) would still be the best value.

Another factor to assist having the state's contracted travel agent search the lowest fare is being able to advise the agent if you are flexible in either your dates or time of travel. By informing the contracted travel agent of your "window of time" for your departure and return will assist them to search for the best price. Travelers are to seek airfares allowing an ample amount of lead time prior to departure date. The lead-time should be about (10) ten it's suggested 14 to 21 days in advance of travel dates to ensure the lowest fares are available. Generally, the earlier a ticket is purchased, provides for lower airfares.

1. Christopherson Business Travel on-line booking fee will be \$7.00.

THE TRANSACTION FEE FOR Christopherson Business Travel will be \$24.00.

3. REMEMBER: A ticket is not purchased until you confirm your reservation with a credit card! Until payment is confirmed with our travel agency, there will not be an electronic ticket issued at the airport.

**Note:** When you ask the travel agent to hold a specific flight that means the seat is being held, not the price of the ticket, the price can change at any time.

Many travelers contact the travel agency to inquire about travel arrangements. If you select specific flights and dates (an itinerary) and ask the travel agent to hold that itinerary, a ticket is still not purchased. You must give specific instructions to purchase the ticket and receive a receipt which contains a ticket number to confirm that a ticket has been issued in your name.

Before purchasing an airline ticket, please confirm that your itinerary is correct, make sure that the spelling of your name on the itinerary/ticket is the same as on your driver's license and passport, check dates, times, fares, services, etc.

Once you receive your itinerary receipt, please review that all is accurate within 24 hours of receipt. If any item is incorrect, contact the agent team and they can void the ticket within 24 hours to avoid penalties.

**IF THE STATE'S CONTRACTED TRAVEL AGENT DOES NOT OFFER YOU OPTIONS ----- ASK!**

## Airfare Cancellations and Unused Ticket Use

Travelers must cancel the reservation 24 hours before departure to avoid suspension of unused ticket. If the ticket is not cancelled and becomes suspended, some airlines may allow it to be reopened, but there is an airline fee to do so. Once cancelled the traveler should retain the invoice/receipt sent upon completion of original purchase. This receipt has the original ticket number which will be needed to process the new reservation and use of the unused ticket. Unused tickets are valid one year from date of original purchase and carrier may require travel be completed one year from date of original purchase. Simply communicate to your agent at the time of the new reservation that you have an unused ticket along with the ticket number (information on report, if unknown by traveler) so that you may get credit for the unused portion.

Airlines will charge a reissue fee which can vary by air carrier. The current standard domestic fee with most major carriers is \$200.00, international \$250.00. However, penalty fees vary based on carrier and destination. This reissue fee will be assessed along with any new fare amount higher than the original purchase price. The agent will quote all fees associated when new reservation is made.

Tickets which are unused by a traveler should always be monitored by the traveler and the agency. Traveler should ensure that any unused ticket is considered when planning future travel arrangements. Some airlines have a policy which would allow for a name change to another employee within the agency. A view of the latest airline policies regarding unused tickets are available at the State Travel Office's website: <https://www.doa.la.gov/doa/ost/airfare-airport/>
