

VOLUNTEER SERVICES PROGRAM

Lallie Kemp Medical Center is now accepting applications for our Volunteer Services Program. By volunteering you can make a positive impact on the lives of others. No experience or prior training is necessary.

From directing patients through the hospital to being an informational guide volunteering makes a difference.

To become a volunteer you may pick up an application in the Lallie Kemp Human Resource Office Monday through Friday between the hours of 8:00a.m. - 4:30p.m. All completed applications must be returned back into the Human Resources office.

The age requirement is 18 years or older. A background check, drug test and reference check will be completed.

Please contact the Lallie Kemp Human Resources Office at (985) 878-1385 with any questions.
